REPORT

Re: gas stick

Just in case someone wants to make a stick for a 30-31, 11 gallon tank, it is different from a 28-29 stick. Paint sticks work great.
This is 30-31 measurements.

1 1-9/16"
2 2=7/16"
3 3=3/16"
4 3-13/16"
5 4-5/16"
6 5-1/16"
7 5-1/2"
8 6-1/16"
9 6-3/4"
10 7-3/8"
11 8-3/8"
