An important update on entering the parking lot for the OCMAFC Pancake Breakfast on April 14 2024.

Modern cars, we have secured additional parking across Glassell at the Holy Family Catholic Church (566 S. Glassell St, Orange). ***Please consider using this lot.*** Enter off LaVeta, continue thru extended parking lot. We have permission to use these lots, park towards the rear as church services will be ongoing. There is a crosswalk in front of the church at East River.

For HART Park, normal entrance ramps off Glassell will be closed. Cars will be <u>entering</u> Hart Park via LaVeta Ave to Shaffer St. We have been working with the city and police to address traffic and safety issues. Going North on Glassell from the 22 Fwy, you will go **<u>past</u>** the park and turn RIGHT on LaVeta Ave, then turn RIGHT on Shaffer. (Coming SOUTH on Glassell, you will turn LEFT on LaVeta before reaching the park.). ***East River Road residential street entrance will also be Closed.***

See attached map. We will park in the usual layout. An additional benefit from this, is that traffic thru the area where people are walking and enjoying the Model A's will be less. We will be distributing this information with other clubs thru emails, blogs, forum and facebook posts in order to make this change as smooth as possible.

Thank you everyone for your cooperation.
