NEW PRODUCT RELEASE

Mallory Dual Point Ford Flathead Distributors

NOW AVAILABLE

PRODUCT DESCRIPTION

Ford Flathead enthusiasts will be glad to hear the Mallory Dual Point distributor is back and ready to fire their cylinders.

Whether working on a ’32 – ’41 with 3-bolt mount or a ’42 – ’48 with a 2-bolt mount, Mallory has a distributor to fit your needs.

These distributors use special, heavy duty points for increased RPM range and coil output. The points will trigger a Mallory points specific coil PN 29219 or provides a great trigger for a HyFire CD ignition box.

Features/Benefits:

- Fully adjustable mechanical advance allows for tuning a timing curve to your engine
- Supplied with heavy-duty cap and rotor
- Dual-point design for increased RPM range and reduced spark scatter
- Removable housing makes checking / replacing points fast and easy
- Billet housing provides classic good looks with modern durability

If you have any questions about this or any Mallory product application, please contact our tech service department at **(915) 855-7123.**
