# Model A's motor into Sharon

SHARON — Every year on the first Sunday in June, the spirit of the 1920s and 1930s is brought to life in the small town of Sharon, located just west of Wisconsin Highway 67 and County Highway C on the state line.

Hundreds of Model A automobiles will line Main Street. The Rock-Ford A's Model A Club provides many of the vehicles with club members driving into town.

Model A Day includes arts and crafts and food vendors, an ice cream social and a pig roast. Musical entertainment includes bluegrass and dixieland bands.
